

Mid America Rehabilitation Hospital **6th Annual “Strokes For Stroke” Golf Classic**

On Friday, September 24, 2010, Mid America Rehabilitation Hospital will host their 6th Annual “Strokes for Stroke” Golf Classic benefiting the American Stroke Foundation, a non-profit organization providing post-rehabilitative services to stroke survivors. Their Missouri and Kansas activity centers, include speech, occupational activities of daily living, reading, writing, computers, support groups and caregiver services. Since they are a non-medical or clinical facility, there is no insurance reimbursement or government funding available. In fact, the ASF operates solely on gifts and contributions from the community! Please help us support this invaluable organization by participating in the “Strokes for Stroke” Golf Classic.

We have several sponsorship levels available that provide an excellent opportunity for you to promote your organization to professionals in the healthcare field and to the community. If you prefer to just come out and have some fun for the day, individual registrations are also available at \$100 per person. Four person team discounts are priced at \$350. If you aren't much of a golfer, we encourage you to share your golf entries with those individuals that you would like to thank for their continued support and partnership to your organization.

We are anticipating a highly successful and well-attended outing. Show your organization's staff, clients and colleagues your commitment to the American Stroke Foundation's mission "to empower stroke survivors and their families to overcome ongoing challenges of life after stroke and rejuvenate their lives" by sponsoring the “Strokes for Stroke” Golf Classic.

One of our committee members will be contacting you in the near future to discuss your interest in sponsorship opportunities. We thank you in advance for your support and contribution to this cause that is so dear to our hearts!

Best Regards,
